PLEASE SAVE MY EARTH

Part Science Fiction, Part Fantasy And Thoroughly Engrossing

Ever since she was a little girl, plants and animals have seemed to love the sensitive young Japanese high school student Alice Sakaguchi. Then one day, Alice's classmates tell her about a strange recurring dream they've been having in which they are part of a team of alien scientists on the moon collecting data about Earth: people, politics, wildlife, resources, you name it. "Nothing more than a sci-fi fairy tale," thinks Alice… until she has the same dream. Suddenly, Alice begins to find even more of the "Moon Dream" people involved in her life—even her eight-year-old neighbor is acting strange. Is history really doomed to repeat itself, even when that history carries over from a previous life…? A beautifully animated, heartrending mystery!

ADOLF

A dramatic study of history by one of the most revered and prolific comic artists in history, Osamu Tezuka, creator of **Astro Boy** and **Kimba the White Lion**. In **Adolf**, Tezuka tackles the sobering subject matter of World War II, and its effect on the lives of ordinary people. On the eve of the war, the destinies of three men named "Adolf"—including the leader of the infamous Third Reich himself—become inexorably intertwined, and the story follows all three to their inevitable destinies. Available in English for the first time ever, and a 1996 Will Eisner Award nominee for Best Graphic Novel/Drama.

story and art by Osamu Tezuka

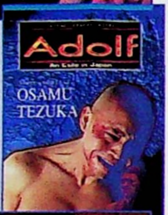
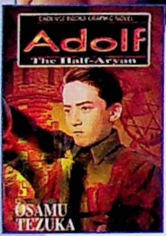
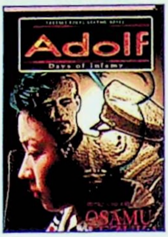
Adolf Vol. 1, "A Tale of the Twentieth Century
On the eve of the war, the destinies of three men named "Adolf" become inexorably intertwined.



Adolf Vol. 2, "An Exile in Japan"
Japanese reporter Sohei Toge returns home, and finally learns the secret that led to his brother's murder at the hands of the Gestapo. But the SS officer who tortured Toge in Germany has followed him to Japan.



Adolf Vol. 3, "The Half-Aryan"
Sohei thought his ordeal was over, but his tormentor, Gestapo agent Lampe, is still alive and on his trail. Miss Ogi, his dead brother's beautiful school teacher, may be his only hope.



Adolf Vol. 4, "Days of Infamy"
Japan attacks Pearl Harbor, and Adolf Kamil, a Jew living in Japan, must decide what to do with the documents revealing Hitler's closely guarded secret. His friend Adolf Kaufmann is sent to Japan with orders to get the secret documents at any cost.

Adolf Vol. 5, "1945 and All That Remains"
Childhood friends Adolf Kaufmann and Adolf Kamil are reunited, but their love for the same woman threatens their friendship. Then, thirty years later, how have the surviving "Adolfs" weathered the test of time?

2001 NIGHTS

Fantastic science fiction in a league with Arthur C. Clarke! Artist Yukinobu Hoshino is critically acclaimed as the best of Japanese "hard" science fiction. This collection of short stories treats such themes as world peace, humanity's role in the cosmos, colonization of the stars, the love between parent and child, life after death, and the nature of good and evil. Engaging, thought-provoking reading!

2001 NIGHTS: JOURNEY BEYOND TOMORROW

Now that the people of Earth have gained the ability to travel previously unimaginable distances through space, lives and loves are sacrificed for the thrill of exploration. But humanity must also reckon with the responsibility that such power brings. Because of greed, the first steps to colonize other planets end in violent confrontation. Yet resources on Earth are rapidly being depleted. If humanity is to survive, people must learn to work together and use their advanced technology and the riches of the universe for the good of all!

2001 NIGHTS: CHILDREN OF EARTH

The thrilling conclusion of Hoshino's critically acclaimed series! Can we ever leave the savage side of human nature behind? Perhaps humanity's last hope lies in the "new generation" of humans who call themselves "Tachyonians" because, like particles moving at the speed of light, "We can't stop on a planet and settle down. We just keep pushing across the sea of stars until we die...."

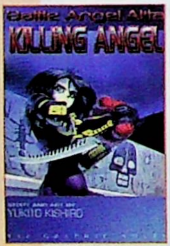
Battle Angel Alita

A petite cyborg is reborn and is renamed Alita. With no memory of her past, Alita begins the quest to find herself—starting with a job as a cybernetic bounty hunter! As she fights, she remembers the awesome Panzer Kunst, the most powerful cyborg fighting technique ever known!

Tears of an Angel

Alita falls in love with Hugo, a young dreamer who will do *anything* to reach Tiphares, the utopian city which floats tantalizxingly above the harsh world of the Scrapyard. When Hugo's crimes begin to catch up with him, will the tears of an angel be enough to save him?



Killing Angel

Alita leaves her old life behind her to participate in a new, ruthless, life-or-death sport...motorball! The harder she fights, more and more of her lost memories return. As doc Ido searches for his lost angel, Alita sets her goal on taking the championship!

Angel of Victory

Alita's motorball career escalates as she sets her sights on taking the championship away from the reigning champion, Emperor Jashugan! As Alita assembles her five-man challenge team, Jashugan's condition worsens. With little life left, he devotes the last of his energy to defeating Alita!

Angel of Redemption

Alita's fortune takes a turn for the worse when Mad scientist Desty Nova resurrects the brain of Zapan, the Hunter-Warrior whose pride Alita has injured once too often, and fits him with the deadly Berserker body! Can anything prevent Zapan from exacting his revenge on everything Alita loves?

Angel of Death

Alita has committed an unpardonable crime against The Factory, the corporation that rules the impoverished world of the Scrapyard. But instead of a death sentence, Alita is offered escape in the service "Tuned," an elite force of the Utopian city of Tiphares! Her first assignment—protect a nuclear-powered train from the infamous brigands in the blasted landscape outside the Scrapyard!

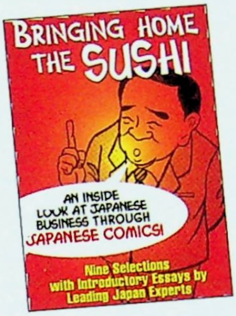
漫画人 MANGAJIN

JAPANESE POP CULTURE & LANGUAGE LEARNING

Basic Japanese Through Comics, Part 1 and Part 2

Not textbooks, these fun, user-friendly supplements are compilations of the Basic Japanese columns from *Mangajin* magazine. Each chapter takes a word, phrase, or concept of Japanese and illustrates it with a variety of examples from manga, so all the nuances such as social context, body language, and situational factors are included. Manga panels are in the original Japanese, with complete translations and notes given alongside.

Part 1: $14.95. Catalog No: T-M0001
Part 2: $14.95. Catalog No: T-M0002
Both: $26.95. Catalog No: T-M0003



Bringing Home the Sushi

An Inside Look at Japanese Business Through Japanese Comics

Nine manga selections that show the range of Japanese personalities, from the lazy, incompetent, unmotivated Tanaka-kun, to the super-salaryman Kacho Shima Kosaku; from the shop-till-you-drop OLs ("Office Ladies") to a saleswoman who gives her male subordinate a lesson in the art of business. All dialog is in English; original Japanese shown at the bottom of the page.

$19.95. Catalog No: T-M0004

Your Favorite Videos, *and* Your Favorite Music!

PLEASE SAVE MY EARTH

Original Soundtrack CD

Part science fiction, part fantasy, **Please Save My Earth**'s surprisingly beautiful tale of love, loss and reincarnation is one of Japan's—and now America's—most celebrated comic series. This outstanding soundtrack CD features selections by Yoko Kanno (**Macross Plus**) is filled with a musical richness and texture that mirrors the intensely plotted stories and intricate relationships explored in the film.

Catalog No.: JVC-1007-2
$15.98

YOU'RE UNDER ARREST!

Original Soundtrack CD

The darling duo at the center of this high-speed adventure series are Natsumi and Miyuki, female police officers who are partners (sometimes friends) and always get their man. This soundtrack features a full hour of the pulsing "disco-esque" accompaniment that enhances the stunning visuals and adds to the series' charm. **You're Under Arrest Original Soundtrack CD** contains 55 tracks, including two with Japanese lyrics.

Catalog No.: JVC-1006-2
$15.98

AKIRA

Original Soundtrack CD

The **Akira Original Soundtrack CD** incorporates elements of traditional Japanese, Asian, African and European music to paint an outstanding aural landscape. The majestic world created by this blend of traditional and contemporary, eastern and western sounds echoes the magnificence achieved by the visuals of the film. Music by **Geinoh Yamashiro Group**. Includes extensive liner notes in English.

Catalog No.: JVC-1001-2
$14.98

ROBOT CARNIVAL

Original Soundtrack CD

Robot Carnival has long been a favorite among Japanese animation fans for its stunning visuals and brilliant soundtrack. This sought-after release was created entirely electronically through the use of synthesizers. The **Robot Carnival Original Soundtrack CD** is a must have for collectors as well as those who wish to relive this fascinating film.

Catalog No.: JVC-1002-2
$15.98

MACROSS PLUS

Original Soundtrack CD

Composer Yoko Kanno, known throughout Japan for her television and movie scores, has created an unusual animation score. Borrowing from classical composes such as Bernstein and Stravinsky, this soundtrack at times echoes the work of famous American film composers such as John Williams and Jerry Goldsmith. Mixing these influences with traditional Japanese folk and pop is what makes this musical experience truly unique.

Catalog No.: JVC-1004-2
$14.98

MACROSS PLUS

Original Soundtrack CD II

More outstanding and eclectic selections from the **Macross Plus** series fill this release. This recording augments composer Yoko Kanno's brilliant score with the energetic dance/pop of character Sharon Apple, as well as more atmospheric music. This diverse sonic landscape expands the musical universe created by the original and transports the listener to its unique world.
